Lacie James

Everybody cums in a different way. Sometimes my climaxes are quiet, soft and fuzzy and sometimes they're just fucking monstrous! My biggest and best are when I'm riding a big, hard cock, cowgirl-style. I can feel my big boobs bouncing hard against my chest, and that makes every wave of my orgasm more intense.

I have the sugar my man's been craving... I've been told I have the sweetest little disposition, until I start fucking, that is. Then I turn into a tiger on the loose. The fangs come out and there's no stopping my feline appetite until I have ravaged the man-meat I hunger for.

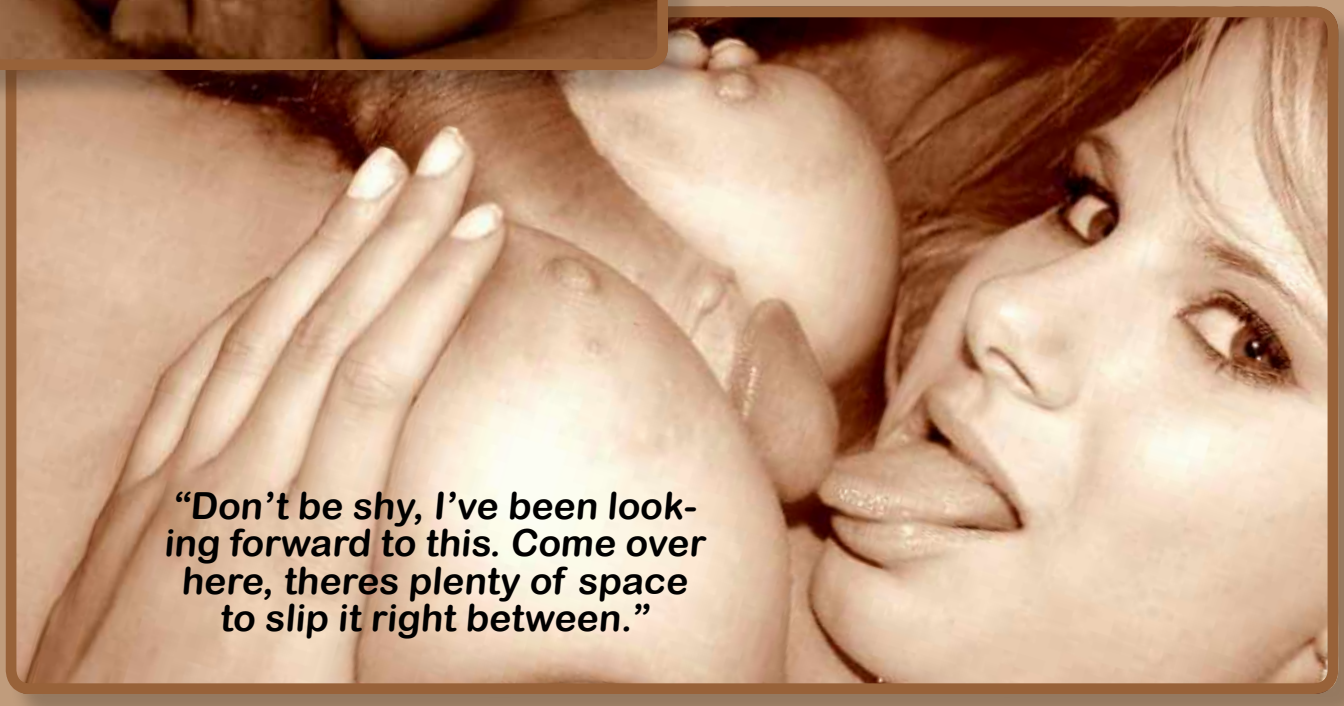
DICKS LOVE D-CUPS
A short hard look at men's fourth favorite spot to shove his dick into

"I don't think many people know this but there's a lot we girls can do with our boobies. People tend to stick to one or two ways to fuck, but I can handle my man in all sorts of ways so he never really knows what to expect. I guess that's part of the fun."



"Don't be shy, I've been looking forward to this. Come over here, theres plenty of space to slip it right between."

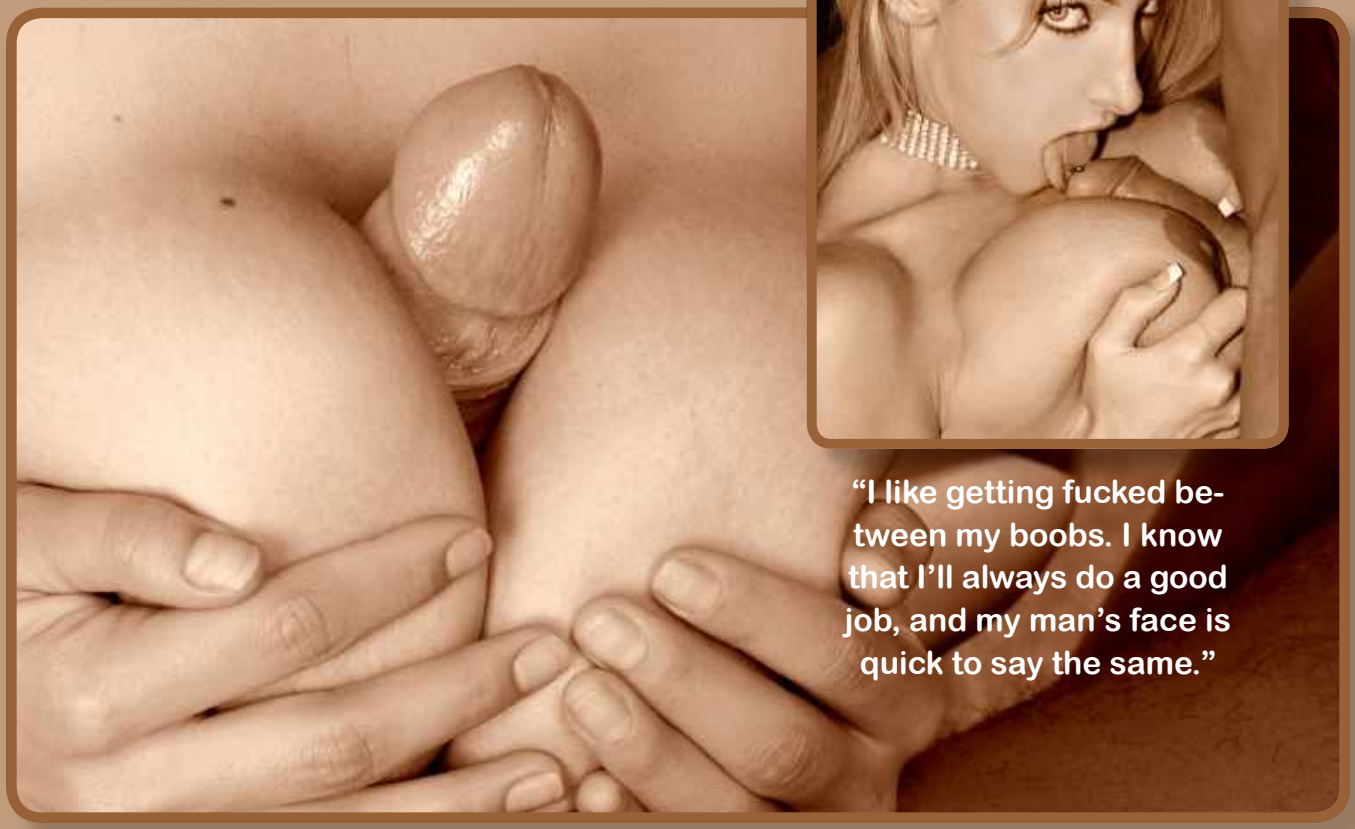
"When I first tried fucking him with my tits, I was only doing it as foreplay. I wasn't too good at it but he would get hard regardless. Nowadays, he begs me to finish him off, and I'm glad to because I love knowing that my tits alone can satisfy him. I definitely recommend it."



"I like getting fucked between my boobs. I know that I'll always do a good job, and my man's face is quick to say the same."

“I love having a hard cock between my large breasts. But I like it even more when he cums and spurts that warm sticky goop on my chest. (and not on my face or in my mouth!)”

Lucy Love

Turns out I'm horny all the time, especially in front of the camera. So, find me lover. That's what I used to say to the guys all the time. I used to fuck guys whenever I could. I tried to keep it quiet but, you know, it gets around. But my favorite fuck is with two guys at once. Now that's fucking, and how I like it!

Natasha Nice

Admit it, I bet you are getting hard just seeing my boobs. Then you would have to do something about it. I'd take your hand away from your cock and replace it with mine and put it on my boobs. Then, I'd take your hard cock and guide it into my wet pussy. Push it deep inside me and I'll be screaming to make me cum, and you do.

RC8-BLAIR

Alita Toro

Alita wanted some fun summer photos for her social media accounts. She loves showing herself off in front of the camera. We started a bit slow, but the shoot progressed, her pretty boobs popped out and she started getting too frisky for social media. But she said she wanted to screw her boyfriend in front of us, and we loved it, too.

BLAIR-NTS-09

SNOW JOB

Frigid temperatures and a red-hot wife

0ne night, after parking my car in our driveway, Pamela came out our front door, wearing the faux-fur coat I had given her for her birthday. On her feet were stiletto-heeled pumps, even though the snow was so deep it covered the tops of her shoes.

"Hey, honey," she cooed. "I just wanted to come outside into the icy air and warm you up a bit." As she said that, she opened the fur coat flasher style, revealing she wore only a black lace bra and see-through panties. My eyes nearly popped out of my skull. This is the last thing one would expect to see on a freezing winter's night.

"You'll catch cold out here," I scolded, stunned at the sight.

"I don't mind it at all. This winter air turns me on from the tips of my toes to my… pussy."

"Get in the house before someone sees you standing there half-naked. They'll think you've gone crazy." I may have complained but had to admit this was the best welcome I had received in years, one that I will never forget.

There is something erotic about a woman being outdoors during the dead of winter, wearing next to nothing. The more I thought about it, the hornier I got. What did Pamela have in mind?

"Let's fuck outdoors!" my wife blurted out, giving me the shocking answer to my question.

I told her I would think it over. I didn't only think it over, I pondered the idea nonstop. It wasn't hard to decide yes, but being the more practical one, I devised a system where we wouldn't freeze our butts off.

We chose a frosty Friday evening in the depths of winter. The temperature was hovering around a freezing 32 degrees. It wasn't the North Pole, but it wasn't Palm Beach either. We chose a relatively secluded spot behind the garage, where it would have been impossible for our neighbors to look out their windows and see us going at it hot and heavy. It is doubtful anyone would be looking out their window this time of year with the hope of seeing two people screwing.

"You sure you want to go through with this?" Pamela asked me, her face beet-red in anticipation of what lay ahead. "I promise you it will be an experience to remember. Fucking on a bed in a heated home is too boring. We need to try doing it in the great outdoors."

Pamela was dressed in her fur coat. Underneath she wore a body stocking, with holes cut in strategic places. Over

The more I thought about it, the hornier I got. What did Pamela have in mind?

the body stocking, she was adorned in a bra, satin panties, plus black patent leather boots. She looked as sexy as I had ever seen her. I wore a much less exotic costume—long coat, thermal t shirt and underwear. We carried out three blankets to lie on the snow beneath us. We felt excited, giddy, almost like kids as we held hands and crunched our way through the snow to the setting we had chosen to be our frozen fuck scene.

It wasn't terribly cold outside; there was a pleasant chill in the air. For one moment, I wondered whether this wasn't just another of my weird dreams. No, this had to be reality. Even in my whacked out X-rated dreams I had never considered doing something like this.

Pamela spread the blankets out. She lay back on them, opened her coat, and her long legs. Pamela coyly licked her lips, like a girl on the verge of her first sexual conquest. "Do it to me, Joe," she beckoned. "Fuck me hard."

Through the hole cut in the crotch of her body stocking, I noticed my wife's cunt; damp with her juices, a telltale sign her depths were already on fire, even before I laid a hand on her. My cock stirred wildly inside my thermal underwear. Pulsations of pleasure shot through it. I pulled the tip of my dick from the opening of the underwear. I then lowered myself until I was mere inches from her tantalizing depths, running the tip of my cock over her pouty lips, teasing her.

"Hurry, Joe. I'm on fire!" my wife begged, her legs spread wide.

Not wanting to keep a horny lady waiting I thrust inside, ramming her to the hilt with one precise motion. As her cunt was already quite slick with her arousal, I slid in effortlessly. Slowly and deliberately I rocked inside her, touching all of her intimate depths. I didn't even notice how cold it was. My coat was spread behind me, covering Pamela and keeping both of us warm. Besides, we were generating enough body heat to melt the snow. Our lips met, tongues searching. Our bodies were so close we almost became as one. I felt her trembling, not from the cold, but from the excitement.

Her pussy muscles contracted, attempting to draw me deeper inside her. My pumping piston kept up the torrid pace, until I knew I had reached the end of the line. My body tensed while my cum shot out of my cockhead, fast and furious into her depths. My cock let loose with three more violent blasts, until my spasms subsided and we lay still.

Pamela moaned, barely able to catch her breath. We rested, until she said in a little-girl voice, "Eat my pussy. Get me of with your tongue. Please!"

From the look of ecstasy etched on her face and in her eyes, I knew her whole being seemed electrified, sizzling with sensuality. I moved my face down to her pussy, catching the aromatic fragrance of her tunnel of love. It was a heady scent.

I flicked my hot tongue inside my wife, feeling her body stiffen the moment my tongue hit home. I lapped at her succulent depths like a starved man eating his last meal. My tongue teased every inch of her, lingering on her clitoris. I sucked on that nubbin for a couple of minutes, driving her wild with ecstasy. I knew Pamela

She looked as sexy as I had ever seen her.

Even in my whacked out X-rated dreams I had never considered doing something like this.

She ran her tongue up and down the length of my shaft, battering it mercilessly with superb mouth action. Although Pamela is an expert at giving head, she outdid herself there and then.

could take little more of this. I was quite surprised she had held on for so long.

Suddenly her body shook, in the throes of an earth-shattering orgasm to end all orgasms. She reached down, pushing my face harder into her snatch. I felt Pamela's sweet nectar flowing over my tongue like a gushing waterfall. I licked at every ounce of juice that I could, enjoying her offering. After that body-rocking explosion of hers, her body was racked with several more mini-orgasms, each less powerful than the preceding one. Finally, she lay still.

We were quiet for several minutes, until Pamela spoke. "If you're cold and want to go inside the house now, it's fine with me. I will understand."

"Are you kidding? You couldn't drag me inside the house. I feel as though I'm on fire right now. I can't feel the cold at all."

As we spoke a light snow began to fall, adding the perfect touch to this evening. It was a winter wonderland, or more appropriately, a winter lust land.

"I want to suck your cock now," Pamela stated. "I want to give you a 'snow job,'" she laughed. "Pull down your long johns and stick your dick in the snow. Go ahead," she assured me. "It won't freeze your cock."

I never knew my wife could be so wicked, so horny, so utterly sex-sational. I obeyed and dipped my prick into the snow, until it was covered with white crystals.

"Let me warm you up now," she smiled.

As I stood above her, she got up on her knees. She then engulfed my manhood with her gorgeous lips. The combination of her hot mouth and cold snow on my cock created the most unusual sensation I have ever encountered. She ran her tongue up and down the length of my shaft, battering it mercilessly with superb mouth action. Although Pamela is an expert at giving head, she outdid herself there and then.

The idea of snow sex made her get into this scene more enthusiastically. I didn't mind her enthusiasm. While Pamela was hungrily attacking my cock, the snow began falling harder. I could barely see 10 feet in front of me because we were in the midst of a blizzard. As Pamela's mouth action intensified, I knew I was ready to come.

I closed my eyes, preparing for the sticky white onslaught that would jettison deep into her throat. It came on cue, my cock coming through with flying colors. Pamela kept sucking me, drinking in all of my cum. Then she lay back on the blanket, spreading her coat open. She let the snow fall on her body, covering her body. I gazed at this vision of eroticism, a hot woman on a snowy night. It was as though she was letting the winter make love to her, caressing her body with its every snowflake that touched her.

That was our first sexcapade in the snow, and you can imagine it won't be our last. Winter has a new meaning for us. No more will we worry about what to do when we are snowed in, with nothing to watch on TV.

This might not be for everyone, but those who want to add some spice—or ice—to their life might find it irresistible. We almost hate to think of summer, when our winter wonderland will melt away.

Coby Bryant

My car broke-down on my way to a lingerie party. I called my good friend Danny to pick me up and we went to his place since it was nearby. Soon enough I was teasing and twerking on his bed with my perfect boobs and booty bouncing in front of him. After the show, he fucked my pretty mouth and then my tight wet pussy nice and hard!

JOIN & LET'S START SOMETHING TOGETHER

A community, not a corporation, dedicated to connecting people to something bigger than themselves. We know, we know...that's bold. But ask around. People start a Kynect business to make extra money; they stay because they're transformed by the family they find here. They stay because they're given the opportunity to help others pursue their passions, big and small.

Tens of thousands of lives have been given deeper meaning through the Kynect opportunity. Yours could be next. www.blair.wekynect.com
